

Far North Coast Snooker Association

Teams Event - 2016

Instructions - In the 'Win? 1/0' column please record the number of frames the team won. In the 'Score' column record the total score for each frame. The total wins and scores for each club are calculated and updated in the boxes to the right of the main scorecards. Please make sure you record results for both clubs not just one.

e.g. if Ballina T1 play Banora T1 and Banora lose still make sure to record results for both those clubs by entering the winning results on Ballina Scorecard and losing results on Banora Scorecard.
